(69) "Miss Mary Murray in her visits to eight or more hospitals has many trying experiences, but ministers to all with whom she comes in contact. The sending on of 318 names to the Toronto Presbyterial Secreatary led to much fine follow-up work by their Welcome and Welfare Department. Out-of-town patients in hospital whom Miss Murray reached through her appeal in the *Glad Tidings* expressed gratitude for her kindness. She was greatly encouraged by the co-operation of Church organizations and members of the Women's Missionary Society, in helping women referred to them and furnishing clothing and delicacies for patients. Another great source of strength and refreshment, Miss Murray states, is her contact with Auxiliary members to whom she is often invited to speak."

Chinese in Canada-

deavour in Eastview is bearing fruit. The Sunday School is advancing and the Canadian Girls in Training are becoming more and more a missionary group. Visitation of the Chinese families in the surrounding districts formed part of Miss Macarthur's programme during the year.

Miss Shirley Scott's work in New Westminster, B.C., has been three-fold, as she has served in three congregations, St. Andrew's, St. Stephen's and St. Aidan's. A summary of her work can best be given in a paragraph from her report. "The phases of this work in Westminster are many and varied. My time is spent largely with the organizations and in visiting the old people and shut-ins and in congregational visiting. Often the visiting gets crowded out because of the time given to helping in the preparation and planning of meetings. When one has an interest in Primary departments of the Sunday School, Sunday School classes, Mission Bands, teen age girls, young women's and senior women's organizations, the days seem short and the week should contain more than seven of them to ever get caught up with all one has in mind to do."

The story of our deaconesses in the Western cities has a parallel in the work being done by Miss Margaret Allan, who has given many years of faithful service in St. Enoch's and St. David's Churches in Hamilton. Miss Allan in visiting the people has been able to cheer and comfort many sad and lonely hearts, has made rough places plain and been the means of leading young women to a higher living.

Would that space permitted the recording of the many happy contacts made by our faithful workers, the results of which we leave with God! "Paul may plant and Apollos water, but God giveth the increase."

(Mrs. W. H.) TENA A. MITCHELL,

Secretary.

school and our closings are happy events for the parents. The Willing Helpers Mission Band met monthly and studied Friends Around the World, Boys and Girls of India, and the Glad Tidiags; the last half hour was devoted to sewing and handwork. They contributed \$6.00 to missions and sent toys and clothing to the Supply Department. The Shining Lights Girls' Guild met fertnightly, studied Tales of Taiwan and Land and Life of China, knitted and helped with the Christmas concert. They had two hilles' and a supper at Miss Scott's home. In November, under their auspices, Miss Ellen Douglas gave an illustrated lecture, these girls conducting the worship service and serving tea. Supplies and \$1.15 were sent to the Women's Missionary Society. Seven of this group sing in the choir. The Sunday School had an enrolment of seventy-nine, and twenty-four papils were rewarded for regular attendance. Rebecca Yeung has completed sixteen years in the school and is now teaching. The W. M. S. Auxiliary meets monthly, with a speaker at each meeting, Miss Ellen Douglas addressing the members in November. Ten members act as a visiting committee and this has helped greatly. The allocation of \$50,00 was reached and supplies sent is, as well. Over one hundred and twenty calls were made. Miss Scott held classes two afternoons a week for Chinese women learning English, and Miss Lee for those wishing to learn to read the Bible in Chinese. The women attending these classes are all W. M. S. members. Two evenings where religious instruction was also given. Twelve pupils were given music lessons and a monthly recital was held. The Y. P. S. studied Our Charch, by D. It is gratifying to see the interest they take in their Church and in missions. In September Rev. Mr. Leung celebrated his Silver Jubilee as minister, his son, Solomon, coming from Montreal for the occasion and speaking at the evening service.

Vancouver. Miss Yeandle and Mrs. Louie report a good year. They are gratified at the interest shown by the different Auxiliaries in their work, especially by attending their meetings. We are grateful for the help of Miss Isabelle Bennett, who assists in bringing the children and acts as Secretary for the women's meetings. At the June closing Mrs. D. A. Fewlie presented the certificates to the graduates in their caps and gowns; each child was given a New Testament. At Christmas time a pageant was put on. Rev. D. A. Smith presided at both functions and Rev. Mr. Yeung. gave addresses. The Sunday School is a very bright spot, and such a splendid band of teachers Myrtle Sellers, Elsie Potter, Daisy Yeung, Mrs. Louie and Miss Yeandle, and with the boys, Howard and Ted McPhee-Howard competed in the Olympic games last summer. The Bible classes are taught by Rev. K. H. and Mrs. Yeang. The Mission Band won the Presbyterial banner for Scripture memorization, catechism, and missionary knowledge, and contributed \$3.20 to the Women's Missionary Society. Mrs. Dorothy Smith comes from New Westminster to help the Y. P. S. This Band and the Sunday School are missing Pansy Yeung but are thankful that an opportunity has been given her for further equipping herself for her life's work. A Vacation School was held in July. The W. M. S. Auxinary are showing an increasing interest, one woman and her little daughter being baptized. They increased their givings, but did not reach their allocation, which was double that of last year. Three hundred and sixty-four visits were made. The steamers were met and portions of Scripture given to people returning to China. Mrs. Fowlie presided at the annual meeting of the W.M.S. Auxiliary and installed the

Saskatchewan. Mrs. Farley reports that Miss Macarthur's survey has been most helpful. Literature, consisting of Northern Messengers, primary papers and Chinese cards, was sent out regularly. The primary

papers are paid for by a Sunday School class in Sarnia. The average number of papers and cards mailed was sixty, as against fifty-six last year. Toronto. Miss Armstrong and Miss Yeung, assisted by Miss Lambert, report a very full year's work. The most encouraging part is our children's work. Miss Yeung gives music lessons to eleven children. One little kindergartner said, 'I love God; He makes the day so warm and bright.' An English mother reported that when her busband was very ill her two little boys, four and five years old, sang "God Sees the Little Sparrow Fall' to him in Chinese. God only knows the influence of that simple hymn. The June closing was well attended by the parents. The Public Health nurse and doctor call regularly, and eleven children were vaccinated at the City Hall. Our Mission Band of forty-two members contributed \$2.50 to the Women's Missionary Society; we are very grateful to Mrs. Rochester, Mrs. Cameron, Miss Holt and Miss Blair for their assistance. Miss Lambert had charge of the boys' work. In spite of the heat our Vacation school was a great success; Ruth and Ruby Ma were splendid assistants; and at the closing Mr. George Mark presented. certificates to thirty-six children. Mrs. Ma and Miss Gunn have charge of the Ladies' Bible Class. The Friday class has an open meeting once a month, to which those interested in the work are invited. From the proceeds of the annual bezaar \$20.00 was given to the Women's Missionary. Society. The women, as a group, attended the World Day of Prayer service at St. James Cathedral. Our Sunday School at Cooke's Church has seventy on the roll. We had the usual two Christmas concerts, with a supper at Cooke's Church, and wish to thank Mrs. Joseph Henderson, Mr. Roulston, Mr. J. Reid and Mr. Boal for transportation. Our Chinese school is well organized and well attended. Miss Jean MacMurchy is still leader of the C.G.I.T., and Mr. Haines and Mr. Morrison lead the Scouts and Cube. The Y. P. S. is very grateful for the use of St. Andrew's Church gymnasium. Seven of this group attended the Y. P. S. Convention in Hamilton in October. The Alexandra Bible Class of Victoria Church denated a quilt and St. Andrew's Church layettes. We ask the prayers and sympathy of Canadian friends for this work at our door.

Brockville. Miss Davies has, as always, done a valuable work in Brockville and surrounding places, calling on our Chinese friends and distributing supplies; she impresses on them that these are gifts from Christian friends. She visited Montreal, Ottawa, Carleton Place, Smith's

Palls, Perth, Kingston, Gananoque, Westport and Prescott.

Ottowa. Miss Beid reports the return to China of Mr. Lee, their teacher-evangelist, whom they are missing very much. They had their usual pienic and Christmas banquet. The women were visited regularly. In Aylmer, three boys, whose mother died three years ago, come to Sunday School and Mission Band. Another family in Hull attend the Cushman Church, attend Sunday School, Mission Band and C.G.I.T. and sing in the choir; one of the girls was presented with a Junior Membership at the fall Mission Band rally.

Montreal. There are at present forty-three, seemen in Montreal and the bi-monthly meetings have been well attended. They are becoming very much interested in learning to read the Scriptures and in singing simple hymns. The homes have been visited as regularly as possible. There were 105 Chinese present at the annual picnic. The Mission Band had a successful year under the faithful leadership of Miss Gladys Aithen and her devoted helpers; the members contributed \$5.50 to the Women's Missionary Society and attended and took part in the March rally. We regret that there has been no work among the boys. A successful vacation school was conducted by Mr. Solomon Leung and Miss Elsie Lee, assisted by two other Chinese, Miss Isabel and Mr. Wilson Lee, the latter taking charge of the music. Seventeen children were given music lessons, and

On the anniversary of her arrival in New Amsterdam, Miss Olwen Davies, Principal of the Berbice Girls' High School, wrote: "When I think about home and all my friends in Canada, it seems years since I left; but, on the other hand, when I look back on my work in New Amsterdam, I feel I have just started, and that I have accomplished very little, indeed." A fair percentage of her pupils, however, passed the Cambridge examinations. One girl enters the Teachers' Training Centre; another passed the Senior Cambridge examination and has since been appointed on the staff of the Girls' High School; and four girls passed the Junior Cambridge examination.

The enlargement of the staff (another teacher had been appointed at the beginning of the school year) made it possible for Miss Davies to-do more evangelistic work and less teaching in the school this year. She is 'highly elated' that now she has some time to visit the women in their homes, to know them personally and to learn their needs. In the autumn she found time to visit the homes of all the New Amsterdam congregation. Her idea is to get a close contact with the women and them organize women's meetings. Unfortunately, one of her teachers resigned and she was forced to give more time to the school.

The Sunday School which Miss Davies reorganized shortly after her arrival has grown quite rapidly. In January, 1936, there were thirty-six scholars and in January, 1937, sixty-four. Two East Indian teachers are

her capable assistants.

Special Easter and Christmas entertainments by the children were greatly enjoyed and appreciated by the parents. She has also conducted two girls' classes, one a senior class, which was formerly under the direction of Mrs. Dunn. These classes meet weekly in the Girls' High School. They have varied programmes—missionary, devotional, literary, and social. The Senior class, which has been named "The British Guiana Girls" Train-
